

## EUSBSR Contact list - User Instructions

Dear user,

The European Union Strategy for the Baltic Sea Region has a wide network of actors from all around the Baltic Sea. In this manual we have compiled a simple set of instructions on how to find the correct people. The EUSBSR governance structure includes

1. European Commission officials responsible for the EUSBSR
2. the National Coordinators of each member state,
3. Policy Area and Horizontal Action Coordinators and
4. the Focal Points of each policy area and horizontal action.

From the [EUSBSR website](#) You can find the most recent **Contact list**. The list can be sorted and filtered based on any of the above mentioned categories. Below you will find simple instructions on how to search and use the list efficiently.

**In part 1.** You will see how to *filter* the information in order to find what you want. **In part 2.** You will see how to *sort* the list in to the order you wish and in **part 3.** you will see how to *update* the information.

The list contains over 200 people which means it needs to be easily searchable. For this reason it has been compiled in to single excel-table with the following information categories collected from each person on the list.

EUSBSR Information	A	Role in the EUSBR governance network
	B	Area of responsibility (and link to website)
	E	Area role
Organizational information	F	Name (and link to specific website)
	H	National affiliation
	I	Adress
	J	Country
Organizations representatives information	L	Main or Back-up representative
	M	Title
	N	Last name
	O	First name
	P	Position (job title)
	Q	E-mail
R	Phone number	

# Part 1. Filtering the contact list.

1.1. Select the information category based on which you would like to filter the list. First we will look for people working with a certain Policy Area.
